

# Lies, Lies, Lies

Words and music by Howie Newman

**Intro:** D, D (C bass), D (B bass) 3x D (B bass), D (C bass), D

## Chorus:

D A D  
Lies, lies, lies. All we get is lies, lies lies

Bm G D A  
All we get is lies and hate. That's not what makes this country great

D A D  
Lies, lies, lies. All we get is lies, hate and fear

Bm G  
We'll get through it, we'll survive

D A D D C G  
But we never thought ----- that this ----- could happen here

D  
1. The first amendment is the core of everything we're standing for

D  
It's plain for anyone to see the press is not the enemy

D F G D  
Something here is very wrong and it's going on far too long

INTRO then CHORUS

2. The rising tide is here to stay but they just look the other way

It's quite evident to all that we don't really need a wall  
Something here is very wrong and it's going on far too long

INTRO then CHORUS

## Last chorus:

Lies, lies, lies. All we get is lies, lies lies

All we get is lies and hate. That's not what makes this country great

Lies, lies, lies. All we get is lies, hate and fear

We will rise above the fray because

Truth will always persevere D C G D
